Chairman

- **Lead a team responsible for managing a large camp site in a supportive environment**
- **Contribute to one of the largest Rover Owned properties in the southern hemisphere**
- **Lead a team of Rovers who are working towards a common goal**

Mafeking Rover Park, is owned and operated by Victorian Rovers for Victorian Rovers. Purchased in 1992 The Park offers a diverse landscape of open land, scrub and bush providing a variety of camping opportunities and areas to explore for all members of Scouting and the wider community. Mafeking is the home of Rover Motorsport in Victoria and the host location for the upcoming 2016 Australian Rover Moot 'The Moot'

The opportunity:

The Victorian Rover Council is seeking a Rover to join the committee to fulfil the role of Chairman of the Mafeking Rover Park Committee of Management. This role is open to all Rovers currently registered within Victoria who have experience on the Mafeking Rover Park Committee of Management and are interested in leading the Mafeking team for 2016-17.

What's in it for you?

Mafeking Rover Park is going through a significant period of growth, particularly in the lead up to The Moot. There are a number of key infrastructure projects that will enhance the facilities onsite as well as continuing improvements to the administrative processes used to run Mafeking's business.

The Mafeking Chairman is charged with coordinating these projects, in conjunction with the two vice-chairmen, and maintaining the day-to-day running of the Park. There are great opportunities to leave a significant mark on the Park for the next generation to benefit from.

What skills do you need?

In order for you to be considered for the role the applicant must be a current invested Rover and will remain so for the duration of the term.

This role is ideal for a Rover who is interested with leadership skills, and is able to effectively manage a team. An understanding of the operations of the Park and experience in team management would be highly beneficial to this role. Applicants are required to have completed their Rover Basic Training.
