Environment Officer

- **Work with a dedicated team of fellow Rovers**
- **Exposure to a diverse range of flora and fauna with over 300 acres to experience**
- **Contribute to one of the largest Rover Owned properties in the southern hemisphere.**

Mafeking Rover Park, is owned and operated by Victorian Rovers for Victorian Rovers. Purchased in 1992 The Park offers a diverse landscape of open land, scrub and bush providing a variety of camping opportunities and areas to explore for all members of Scouting and the wider community. Mafeking is the home of Rover Motorsport in Victoria and the host location for the upcoming 2016 Australian Rover Moot 'The Moot'

The opportunity:

The Committee is seeking a Rover to join the committee to fulfil the role of Environment Officer, this role is open to all Rovers currently registered within Victoria who might have an interest in the Environment specifically with a focus around the development and implementation of environment management plans and initiatives such as Tree Management, Revegetation of open areas with indigenous flora and the development of educational programs for visitors to the Park.

What's in it for you?

The Park has significant flora & fauna value, with several bush & flora reserves in the area, creating a haven for local endemic species, with a variety of landscapes including open grassland, granite outcroppings, native bushland along with several small dams The Park has a lot to offer for the interested Rover to explore and develop.

The role of the Environment Officer gives you an opportunity to join the Mafeking Committee of Management and take a leading role in developing the environmental policies and future direction of the park with a view for creating a sustainable environmentally friendly campsite that will be used by the Scouting community for many years to come.

What skills do you need?

In order for you to be considered for the role the applicant must be a current invested Rover and will remain so for the duration of the term, no formal qualifications are required for this role, however a strong passion for the environment and an ability to take on a challenging role such as that required for the Environment Officer are obviously desirable.

This role will be reporting to the Vice Chairman (Administration) and will be expected to prepare a report on a monthly basis in regards to works completed and underway.
