## Food Services Officer

- **Work with a dedicated team of fellow Rovers**
- **Contribute to one of the largest Rover Owned properties in the southern hemisphere**
- **Coordinate the Canteen at Mudbash and assist with the catering of Mafeking Masters**

Mafeking Rover Park, is owned and operated by Victorian Rovers for Victorian Rovers. Purchased in 1992 The Park offers a diverse landscape of open land, scrub and bush providing a variety of camping opportunities and areas to explore for all members of Scouting and the wider community. Mafeking is the home of Rover Motorsport in Victoria and the host location for the upcoming 2016 Australian Rover Moot 'The Moot'

### **The opportunity:**

The Committee seeks a Rover to join the committee to fulfil the role of Food Services Officer; this role is open to all Rovers currently registered within Victoria who have an interest in fulfilling the role. The primary responsibility of this role is to coordinate and manage the Canteen at Mudbash, which is run as a fundraiser for the Park. This role also assists in other catering throughout the year including at Mafeking Open Day and Mafeking Masters.

### **What's in it for you?**

Every year Mafeking is the home of Mudbash – an event run for over 800 Rovers and Leaders. Over this weekend the Mafeking Canteen offers hot food and delicious snacks to event participants, as well as the 500+ visitors who attend the Mudbash Open Day, and catering for some participants. The Food Services role provides an opportunity to coordinate this canteen and gain experience in ordering supplies, arranging a menu, managing money and organising a roster.

With the upcoming National Moot in 2016-17 the Mafeking Committee are also exploring the opportunity of running the canteen at Moot, a large opportunity to raise funds for the Park and gain experience at a large scale event.

### **What skills do you need?**

This role is perfect for someone who is comfortable in the kitchen. Being highly organised, able to delegate and work with a team, and of course cooking skills would all be of benefit in this role. Knowledge of food handling requirements would be of benefit but are not required for this role.

This role will be reporting to the Vice Chairman (Administration) and will be expected to prepare a report on a monthly basis in regards to works completed and underway.

**Note:** In the absence of a relevant applicant for the role of Food Services Officer being made by an invested Rover the Committee at its discretion may open the role to ex-rovers
