The Committee is seeking a Rover to join the committee to fulfil the role of Fundraising and Events Officer. This role is open to all Rovers currently registered within Victoria who might have an interest in event organisation and making money.

### **What's in it for you?**

Mafeking Rover Park runs a broad range of events every year, including fundraising events and camps and activity days. These events are an opportunity to showcase Mafeking to Rovers and other members of the Scouting Community as well as raise important funds for the continued development of the Park.

In recent years events have included:

- Mafeking Masters
- Open Day
- Mafeking Christmas Party
- Mudbash After Party

The Fundraising and Events Officer plays an important role in the coordinating these events, with the support of other members of the committee. This role is an exciting opportunity to provide a great experience for event participants – from throwing a great party to running a great Scout Activity weekend.

### **What skills do you need?**

In order for you to be considered for the role the applicant must be a current invested Rover and will remain so for the duration of the term.

This role is ideal for someone who has a passion for running great events. An ability to work in a team is a must in this role. Organisation and attention to detail are skills that would also be beneficial.

This role will be reporting to the Vice Chairman (Administration) and will be expected to prepare a report on a monthly basis in regards to works completed and underway.
