## Program Development Officer

- **Join the committee committed to creating a unique camping experience**
- **Contribute to one of the largest Rover Owned properties in the southern hemisphere.**
- **Build a solid Scouting oriented activity program for users of the park**

Mafeking Rover Park, is owned and operated by Victorian Rovers for Victorian Rovers. Purchased in 1992 The Park offers a diverse landscape of open land, scrub and bush providing a variety of camping opportunities and areas to explore for all members of Scouting and the wider community. Mafeking is the home of Rover Motorsport in Victoria and the host location for the upcoming 2016 Australian Rover Moot 'The Moot'

### **The opportunity:**

The Committee seeks a Rover to join the committee to fulfil the role of Program Development Officer, this role is open to all Rovers currently registered within Victoria who have an interest in fulfilling the role, the role of the Program Development Officer is to develop and implement a activity of programs for the use of different sections within Scouting whilst at the park.

### **What's in it for you?**

The Park has a lot to offer, with a large site comes many opportunities for growth and development of current and new activities on site. With many activities on offer such as Archery, BMX Bikes and Abseiling the Park has a lot to offer but it needs someone to create a compelling package for current and future users of the Park and all it has to offer.

The role of the Program Development officer provides a great opportunity for an interested Rover in working closely with the committee and user of The Park to create a strong offering of activities making it easy for Leaders bringing their sections on site to have a fun and memorable experience. The Rover taking on this role will work closely with a number of areas of the committee such as the Bookings Officer, Marketing Officer and other areas of scouting as needed to develop out the Program of Activities and programs Mafeking has to offer. Whilst also working with other areas such as Maintenance and Site Development to grow the and develop the programs on offer.

### **What skills do you need?**

In order for you to be considered for the role the applicant must be a current invested Rover and will remain so for the duration of the term, experience with different sections of Scouting in a leadership role either currently or in the past along with strong communication skills and the ability to work with a variety of members of the committee are required to ensure the success of this role.

This role will be reporting to the Vice Chairman (Administration) and will be expected to prepare a report on a monthly basis in regards to works completed and underway.

## Environment Officer

- **Work with a dedicated team of fellow Rovers**
- **Exposure to a diverse range of flora and fauna with over 300 acres to experience**
- **Contribute to one of the largest Rover Owned properties in the southern hemisphere.**

Mafeking Rover Park, is owned and operated by Victorian Rovers for Victorian Rovers. Purchased in 1992 The Park offers a diverse landscape of open land, scrub and bush providing a variety of camping opportunities and areas to explore for all members of Scouting and the wider community. Mafeking is the home of Rover Motorsport in Victoria and the host location for the upcoming 2016 Australian Rover Moot 'The Moot'

### **The opportunity:**

The Committee is seeking a Rover to join the committee to fulfil the role of Environment Officer, this role is open to all Rovers currently registered within Victoria who might have an interest in the Environment specifically with a focus around the development and implementation of environment management plans and initiatives such as Tree Management, Revegetation of open areas with indigenous flora and the development of educational programs for visitors to the Park.

### **What's in it for you?**

The Park has significant flora & fauna value, with several bush & flora reserves in the area, creating a haven for local endemic species, with a variety of landscapes including open grassland, granite outcroppings, native bushland along with several small dams The Park has a lot to offer for the interested Rover to explore and develop.

The role of the Environment Officer gives you an opportunity to join the Mafeking Committee of Management and take a leading role in developing the environmental policies and future direction of the park with a view for creating a sustainable environmentally friendly campsite that will be used by the Scouting community for many years to come.

### **What skills do you need?**

In order for you to be considered for the role the applicant must be a current invested Rover and will remain so for the duration of the term, no formal qualifications are required for this role, however a strong passion for the environment and an ability to take on a challenging role such as that required for the Environment Officer are obviously desirable.

This role will be reporting to the Vice Chairman (Administration) and will be expected to prepare a report on a monthly basis in regards to works completed and underway.

## Mechanical Maintenance Officer

- **Work with a dedicated team of fellow Rovers**
- **Contribute to one of the largest Rover Owned properties in the southern hemisphere**
- **Maintain a wide-ranging fleet of vehicles**

Mafeking Rover Park, is owned and operated by Victorian Rovers for Victorian Rovers. Purchased in 1992 The Park offers a diverse landscape of open land, scrub and bush providing a variety of camping opportunities and areas to explore for all members of Scouting and the wider community. Mafeking is the home of Rover Motorsport in Victoria and the host location for the upcoming 2016 Australian Rover Moot 'The Moot'

### **The opportunity:**

The Committee seeks a Rover to join the committee to fulfil the role of Mechanical Maintenance Officer; this role is open to all Rovers currently registered within Victoria who have an interest in fulfilling the role. The primary responsibility of this role is to manage the onsite fleet of vehicles and other mechanical tools required to maintain the Park.

### **What's in it for you?**

Mafeking Rover Park current owns a fleet of 3 vehicles including two Toyota Troop Carriers or 'troopys' and a Rodeo Ute, 2 tractors and a large variety of motorised tools including lawn mowers and chain saws. The primary role of the Mechanical Maintenance Officer is to manage this fleet of vehicles, including organising regular servicing and maintenance as required.

As our vehicles grow older there is an opportunity to be included in the re-vamp of the current fleet. The current committee of management is discussing the purchase of a new tractor which you would have an opportunity to be a part of and assist in acquiring.

### **What skills do you need?**

In order for you to be considered for the role the applicant must be a current invested Rover and will remain so for the duration of the term. An understanding of basic mechanics is a must for this role – though formal qualifications or experience in the industry is not required. Strong communication skills and an ability to manage the maintenance schedule for all vehicles would also be of benefit to an applicant in this role.

This role will be reporting to the Vice Chairman (Operations) and will be expected to prepare a report on a monthly basis in regards to works completed and underway.
